

ANDREW McGUIRE Portfolio of Work

ABOUT

Experienced instructional design manager skilled in planning, building, and evaluating learning experiences that create greater understanding and retention. I have a long track record of creating and implementing high-impact solutions.

Let's build great learning solutions together.

SAMPLES OF WORK

INTRODUCING CLINICALKEY AI VIDEO

This video provides an overview of what customers can expect from ClinicalKey AI.

CLINICALKEY AI SUPPORTING CLINICAL DECISIONS VIDEO

This video provides insight into how physicians can use ClinicalKey AI to support decision-making.

BUILDING YOUR PROFESSIONAL LEARNING COMMUNITY-ATD BLOG

This blog is about the "unseen magic" that helps L&D professionals gain clarity, solve problems, and achieve excellence.

BRANCHING IS FUN!

A sample eLearning course utilizing Bloom's Taxonomy that demonstrates how branching can be used to enhance interactivity and course engagement.

ELEARNING RESUME

An eLearning course that gives a better look at who I am professionally.

SAHARA ELEARNING

A video capture of an eLearning course based on the idea that a team must create an apple orchard in the Sahara Desert.

STORYBOARDING AND MIRO: COLLABORATION THAT MAKES AN IMPACT VIDEO TRAILER

A short video trailer for a session that Brok Howard and I presented at DevLearn in 2021.

THE LAST MILE WITH WAYFAIR

A quick reference sheet to assist agents who are delivering inside of a customer's home.
